

Outward international payments

on the Nedbank Private Wealth app and Online Banking.

How to save an international beneficiary

- Log in to the Nedbank Private Wealth app or Online Banking.
 - On the Nedbank Private Wealth app, select **More** at the bottom right of the screen and then select **Manage beneficiaries**.
 - On Online Banking, select **Beneficiaries** at the top of the screen and then select **Manage your beneficiaries**.
- Select **Add an international beneficiary**.
- Complete the necessary fields and save the beneficiary.

How to share a proof-of-payment notification

- On the Nedbank Private Wealth app, once you have completed your payment, select the share icon in the top right corner.
 - Choose how to share it from the available options on your device.
- On Online Banking, once you have completed your payment, select the **Share proof of payment** button.
- Download the proof-of-payment notification in PDF.

Note: A proof-of-payment notification will only be available once your payment has been processed and displayed under the **Settled** tab in the **Payment history** section.

Contact your private banker for more information.
