### Notes

1 A billing cycle runs from the fourth-last business day of the month to the fifth-last business day of the following month. Your statement will show the fees for all the transactions that you have made in the previous billing cycle. In other words, you are billed 1 month in arrears.

2 These fees apply at all stores where cash is offered, for example Shoprite, Pick n Pay and Score.

3 This fee applies to all transactions done through a foreign merchant and is calculated at 2.5% of the transaction value. For example, if you swipe your card abroad for R500, the fee will be R12.50.

4 We will send you 1 free statement per billing cycle for current accounts. Statements for savings accounts are available on request at a fee.

5 We can send payment notifications to third parties, but will charge a fee for each notification that we send.

6 Includes the following free subscriptions: Nedbank Online Banking and Cellphone Banking.

7 Depositing cash at Nedbank Intelligent Depositor ATMs is 50% of the cash deposit fee (minimum of R1.02 per R100 or part thereof). 100% of the quoted fee will be charged if your deposit fee is less than R1.02 per R100 or part thereof.

8 Send money quickly and securely to any South African cellphone number.

9 This includes card and contactless payments.

10 The benefit below is limited to societies, body corporates and non-profit organisations.

If you maintain a minimum monthly balance of R50 000 in your account, you will enjoy the following benefits\*:

- No monthly fee.
- Free card swipes.
- Free cash withdrawals at participating retailers.
- Free cash deposits (up to R5 000 per month) at Nedbank ATMs.
- Free account payments (including debit and stop orders), interaccount transfers and balance enquiries at self-service channels.
- A 50% discount on cash deposit fees at participating retailers.
